REMEMBER WHEN...

Remember when we were called J&G Thrift Market?

Pay-Less opened its doors in 1950 with a promise to provide the best value every day!

Remember the black and white ads in the newspaper?

No frills, just hot deals that were circled and saved by the family.

Remember when we sold VHS tapes, Brach's Pick n' Mix by the pound, Christmas trees, and postage stamps?

We've grown and changed, but those throwback products will always be part of our story.

Remember when we pasted prices on every single product in our store?

Pay-Less switched to shelf label pricing in the late 1980's.
